Principal

Henry G. Pahlkotter, II

Dear RCLS Friends:

I am writing this letter on behalf of the students, families and staff of Rochester Central Lutheran School and asking for your support for the 20th RCLS Auction to be held on Saturday, April 17, 2010.

Our annual auction is one of our most important fundraising events which helps us provide students 3 years through 8th grade with a quality Christ-centered education. We are very thankful for the strong support we have received throughout Rochester and the surrounding communities over the years. We could not do what we do without the support of our friends like you. Every dollar that is raised is used to enhance and support the ministry of our school as we strive to fulfill our mission, "preparing for tomorrow with a Christ-centered education today." We work together with parents, the primary teachers in the life of a child, to offer the highest level of quality Christian education.

RCLS is committed to keeping Christian education affordable and yet maintain the highest level of quality education.

RCLS's annual auction consists of both a silent and live auction with a meal served for purchase. We have received a variety of contributions from furniture, jewelry, airline tickets, framed art work, themed baskets, services, vehicles to vacation packages. Almost anything and everything you can imagine. All of these items are then auctioned to bring in funding necessary to help us provide the blessing of Christian education to the children and families of our school. Gift certificates and cash donations are also a great way to support the auction and the ministry of RCLS.

We appreciate you donation and support of school ministry. Rochester Central Lutheran School has a long tradition of Christ-centered and values-based education for the children and families of the Rochester area. Our ministry theme this year is "STONE" as based upon 1 Peter 2:4-5. Christ is our "Living Stone" and through your generosity and support, you too have become "living stones" for Him.

We pray that God will continue to bless your efforts so that you have the opportunity to continue begin a strong blessing to our community and those you serve.

Please do not hesitate to call if you have any questions. Of course, you are also invited to participate in our auction on Saturday, April 17.

In His Service,

Henry G. Pahlkotter, II
RCLS Principal
