## 2007-2008 TUITION SCHEDULE

### TUITION RATES FOR 2007-2008

The Board of Directors has set tuition rates for the 2007-2008 school year. The tuition listed is followed by a recommended discount which may or may not be provided by the student's home church. The amount of this discount will vary depending on decisions made by your home church. If you are in question about what your church provides for a discount please contact your church leadership. Understand that if your home church provides a reduced or no discount for you, you are then responsible for the full tuition payment.
